

HANSON'S GARDEN VILLAGE NEPETA (CATMINT) LIST FOR 2025

**Catmint is a long blooming, deer resistant, low maintenance perennial for sunny places.
great choice for the Northwoods garden.**

A

NEPETA (A-Z)	COLOR	HEIGHT	DESCRIPTION
Cat's Meow	Blue	17-20"	PW, Low maintenance, naturally tidy with dense, rounded shape, gray-green foliage, sky blue flowers with purple calyxes for months
Cat's Pajamas	Blue	12-14"	PW Perennial of the Year 2021, PW, a smaller version of Cat's Meow, half the size and blooms 2-3 weeks early, rosy purple calyxes
Chartreuse on the Loose	Blue	8-10"	3 seasons of interest with the bright chartreuse yellow leaves, clusters of lavender blue flowers appear all summer long
Kitten Around	Blue	12-14"	More compact and petite than Purrsian Blue, forms a tight, round mound, periwinkle blue flowers
Limelight	Blue	6-8"	A low growing selection with bright chartreuse foliage and blue flowers
Picture Purrfect - NEW!	Blue	10-12"	Similar compact height to 'Kitten Around' but has a much broader habit and blooms about two weeks earlier
Purrsian Blue	Blue	14-18"	Compact selection, doubles its spread in year two, periwinkle blue flowers last for months
Nepeta sibirica	Blue	24-36"	Upright stalks of blue flowers, great for pollinators
Walker's Low	Blue	24-36"	2007 Perennial of the Year, classic variety, medium-sized plants with gray-green foliage, large flowers, long bloomer
