

# HANSON'S GARDEN VILLAGE ORNAMENTAL GRASS LIST FOR 2025

GRASSES	COLOR	HEIGHT	DESCRIPTION
<b>FEATHER REED GRASS:</b>			
Calamagrostis 'Avalanche'	Variegated	4'	Wide white centers and narrow green margins (opposite of Overdam), upright clumps are slightly shorter than Karl Foerster
Calamagrostis Brachytricha	Green	3-4'	Korean Feather Reed Grass, medium clumping grass with a more open form, fluffy bottlebrush-like plumes, gracefully arch, tolerates moist conditions
Calamagrostis 'Karl Foerster'	Green	4-5'	<b>2001 Perennial Plant of the Year</b> , attractive clumping grass with upright growth, feathery plumes mature to tan seed heads in fall
Calamagrostis 'Lightning Strike'	Variegated	3'	Foliage features broad central stripes of creamy white, edged in green
Calamagrostis 'Overdam'	Variegated	2-3'	Upward clumping habit, narrow green leaves with white edge, wheat-colored seed heads in fall and winter
<b>SEDGE:</b>			
Carex 'Ice Dance'	Variegated	12"	Green and white variegated blades, shade tolerant
<b>BLUE FESCUE GRASS:</b>			
Festuca 'Elijah Blue'	Blue	10"	Forms short, rounded clumps of soft powder blue foliage, maintains good summer color
<b>BLUE OAT GRASS:</b>			
Helictotrichon Sempervirens	Silver-Blue	24"	Silver-blue color, nice tufting foliage with arching panicles in summer
<b>TALL MOOR GRASS:</b>			
Molinia 'Moorhexe'	Green	1.5-3'	Narrow, dark green, blades stand stiffly upright on clumped mounds, slender purplish brown seed heads bloom late summer and fall
Molinia 'Skyracer'	Green	7-8'	Wonderful gray-green basal leaves with towering stiff, upright stems, delicate open panicles of yellow flowers, graceful, long season of interest
<b>SWITCH GRASS:</b>			
Panicum 'Cheyenne Sky'	Green/Red	2-3'	PW, a perennial substitute for Pennisetum 'Rubrum', just 3' tall, forms a tight clump of blue-green foliage that begins turning wine red in early summer
Panicum 'Heavy Metal'	Blue	3-4'	Strongly vertical metallic-blue foliage will age to yellow in the fall, seed fronds tipped in copper persist for stunning winter interest
Panicum 'Hot Rod'	Green/Red	3-3.5'	Red Switch Grass, emerges blue green and quickly shifts to deep red, one of the earliest to turn red, purple fall foliage, red-purple seeds
Panicum 'Niagra Falls'	Blue-Green	4'	PW, appears like a Miscanthus in the landscape with arching foliage, but adds the powder blue color characteristic of Switch Grass, broad grower
Panicum 'Northwind'	Blue-Green	4-6'	2014 Perennial Plant of the Year, sturdy and upright form with blue-green foliage, vertical look, tan plumes in late summer, great fall interest
Panicum 'Red Flame'	Green/Red	3-3.5'	<b>NEW!</b> Warm season grass emerges blue-green, wine red by summer's end, compared with others has a greater red color and incredible vigor
Panicum 'Shenandoah'	Green/Red	3'	Red Switch Grass, green spring upright foliage turns red by July and intensifies as summer progresses
Panicum 'Totem Pole'	Blue-Green	6'	PW, forms an upright column of steel blue foliage, golden seed panicles in fall, ideal for small spaces in the garden that need height and vertical structure
<b>BLUESTEM GRASS:</b>			
Andropogon 'Blackhawks'	Purple	5'	Provides height and color earlier than other ornamental grasses, foliage emerges deep green to dark purple in spring and deepens to near black by fall
Schizachyrium 'Blue Heaven'	Blue-Green	3-4'	Taller, more upright habit that does not tend to flop, bright steel blue color, improved fall color
Schizachyrium 'Smoke Signal'	Blue-Green	3-4'	Upright, tidy grower with blue-green foliage that turns red in late summer, then to reddish purple in the fall, wheat-colored seed heads in autumn
Schizachyrium 'Twilight Zone'	Blue-Green	4-4.5'	Silvery mauve in midsummer, retains color through the fall with brighter purple highlights, upright columnar habit
<b>PRAIRIE DROPSEED GRASS:</b>			
Sporobolus heterolepis	Green	2-5'	Native Prairie Dropseed, clumping grass with tall statement seed heads in fall, good for birds
Sporobolus 'Gone With The Wind'	Green	3-4'	A new seed strain, shorter than the species, but still maintains many of the characteristics that made this type of grass popular

*We grow many native grass varieties as well!*
